

EDUCATION DAY MAY 1, 2012

KEY NOTE SPEAKER

Dr. Susan Manzi, MD

Rheumatology, Internal Medicine

Lupus Center Of Excellence

Pittsburgh PA

Dr. Manzi has been named one of the "Best Doctors in America". She is recognized nationally and internationally as a leader in lupus patient care and research, and a pioneer in scientific investigation of cardiovascular disease in patients with systemic lupus erythematosus.

Dr. Manzi has served on a number of study sections and currently is a member of the Clinical and Integrative Cardiovascular Sciences Study Section for the National Institutes of Health (NIH).

Planning is underway for an excellent education event. Speakers will share important new information on the treatment and management of lupus by video-conference connecting four Alberta centers. (Calgary, Edmonton, Lethbridge and Grande Prairie). Mark your calendar now and check often for updates. www.lupus.ab.ca
